at the Jefferson Parish libraries. Check your local branch or visit their website at www.jplibrary.net for information about locations and hours.

A computerized lottery will randomly select 300 applicants for placement on the waiting list. Each applicant will be assigned a rank based on their lottery number. In-place residents residing in the units as of the selection date of the PBV units will be given preference on the waiting list prior to persons selected through the lottery. Status information regarding placement on the waiting list will be available online after the closing date. Instructions for obtaining status information are provided during the online application process. We recommend that applicants have an email address when applying.

Please note that submission of an online pre-application does not guarantee placement on this waiting list, eligibility, or an offer of a housing voucher. A person would have to meet HSDD's criteria for being eligible for a 2- bedroom or 3-bedroom unit, which is generally two persons per bedroom with a few exceptions as described in the Administrative Plan at www.jp hsdd.org.

If you are an individual with a disability and require assistance with the application process, please contact our office at 504-342-4475, October 28, 2025- October 29, 2025, from 9:00 a.m. – 3:00 p.m. to request assistance.
